4) Successors and Assigns. This Assignment will be binding upon and will inure to the benefit of the Parties and their respective successors and permitted assigns; *provided, however*, that no assignment by a Party of this Assignment shall relieve a Party of any of its obligations and liabilities under this Assignment. Nothing in this Assignment is intended to confer upon any person other than the Parties and their respective successors and assigns (and their applicable indemnitees), any rights, remedies, obligations or liabilities under or by reason of this Assignment.

5) Further Assurances. Each Party will execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such additional documents, instruments, conveyances and assurances and take such other action as may reasonably be requested by the other Party and necessary to carry out its obligations under this Assignment and to assign or assume the Properties and Assumed Liabilities, as applicable.

6) Exchange Agreement; No Merger; Third Parties. The Parties acknowledge and agree that the Equity Exchange Agreement dated February 28, 2026, by and between OY1 and Hilcorp Permian, LLC, a Texas limited liability company ("***Hilcorp***") (as the same may be amended, restated and supplemented from time to time, the "***Exchange Agreement***") contains representations, warranties, agreements, covenants and indemnities, which shall remain separate and distinct from, and shall not merge with or be superseded by, this Assignment, and shall survive and remain in full force and effect in accordance with the terms of the Exchange Agreement. To the extent the terms and provisions of this Assignment are in conflict, or inconsistent, with the terms and provisions of the Exchange Agreement, the terms and provisions of the Exchange Agreement shall control. (b) The Parties acknowledge and agree that the appropriate, exclusive and convenient forum (the "***Forum***") for any actions between the Parties arising out of or related to this Assignment or the transactions contemplated hereby shall be brought in the Federal District Courts for the Southern District of Texas, Houston Division or in the State District Courts located in Montgomery County, Texas. Each Party irrevocably submits to the jurisdiction of the Forum solely for the purpose of any such actions and irrevocably agrees to waive any defenses of improper venue or inconvenient forum in any such actions sited in the Forum. No Party shall bring any action arising out of or related to this Assignment or the transactions contemplated hereby in any court or jurisdiction other than the Forum; *provided, however*, that nothing in this Section 9(b) shall limit the rights of the Parties to obtain execution of a judgment in any other jurisdiction. To the extent permitted by Law, a final and non-appealable order or judgment against a Party in any action contemplated by this Section 9(b) shall be conclusive and may be enforced in any other jurisdiction within or outside the United States by suit on such order or judgment, a certified or exemplified copy of which shall be conclusive evidence of the fact and amount of such order or judgment.

(c) To the extent that any Party or any of its Affiliates has acquired, or hereafter may acquire, any immunity from jurisdiction of any court or from any legal process (whether through service or notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property, such Party (on its own behalf and on behalf of its Affiliates) hereby irrevocably (i) waives such immunity in respect of its obligations with respect to this Assignment and (ii) submits to the personal jurisdiction of any court described in Section 9(b).

To the extent provided in the preceding sentence, each Assignor hereby grants and transfers to each applicable Assignee, its successors and assigns, to the extent so transferable and permitted by law, the benefit of and the right to enforce all representations, warranties and covenants, if any, which such Assignor is entitled to enforce against third parties with respect to the Properties and/or the Assumed Liabilities.

12) Counterparts. This Assignment may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all of such counterparts shall constitute for all purposes one agreement.
